

the best part of me

(Verse 1)

The way you hum, when you're making coffee.
And how you always wear your hair tied back.
You're the quiet calm, when the world gets noisy.
The only light I need when things go black.

(Chorus)

Oh I love the way your heart is made of sunshine.
The way you laugh until you cannot breathe.
Everything about you feels so right.
Baby, you're the best part of me.

(Verse 2)

I love your mind and the clever things you tell me.
How you always find the beauty and the small.
You stand so strong and you never try to sell me.
A version of a person that isn't you at all.

(Chorus)

(Bridge)

People look for magic in the stars above.
But I found it in the way you hold my hand.
It's an easy honest and unselfish thought.
Something I didn't know I'd understand.

(Verse 3)

It's the simple things like the way you look at me.
How your kindness is the first thing that I see.
No matter where we go, or where we'll be.
I love the way you're always chosen me.

(Chorus)
