

broken hearts

(Verse 1)

See the people stand, walking hand in hand
Are they searching? Are they learning?
Nations still proclaim, casting off the blame
Should we kneel and pray, can't they see the day
Are they searching? Are they learning?
Crying children see, why oh why can't we

(Chorus)

Hear the broken hearts
They cry
They cry
Hear the broken hearts
they cry
They cry

(Verse 2)

Will we ever find, that precious peace of mind
Are we searching? Are we learning?
Should we kneel and pray, will we see a day?
Will mankind erase?, things we can't replace
Are we searching? Are we learning?
Crying children see, why oh why can't we

(Chorus)
